**Project: Water Resource Management Programme VI – Biosolid Mono-Landfill As Samra**

**Prequalification –Implementation Consultant (IC) for Preparing an Operational Model, Preliminary and Detailed Design and Carrying out Supervision Services**

**Submission Deadline: Monday, 3<sup>rd</sup> May 2021, 12:00 hrs Jordanian time**

**WAJ Tender No. 55/2020/SW  
BMZ-No. 2018.67.944, Procurement No. 506064**

**Project Measures:**

The objective of the Implementation Consultant's (IC) assignment is to provide assistance in engineering, planning, design and construction supervision to WAJ (PEA) to ensure an effective realization of the Project with the following main components / scope of measures (to be treated indicatively and to be specified in detail in the ToR):

- **Component 1:** Construction of cells 2 and 3 of the biosolids mono-landfill with all ancillary works and equipment.
- **Component 2:** Construction of gas collection system for cell 1, 2 and 3 and a treatment and usage system for all relevant cells (1 to 3) including all ancillary works and equipment.

The PEA is seeking to engage a qualified consultant to perform consulting services to support the implementation of the investments. The IC will examine at least the following Work Steps (WoS) (list is to be treated indicatively):

**Work Step 1:** Preparation of an Operational Model and Concept Design

**Work Step 2:** Preparation of Detailed Design and Tender Documents, incl. ESIA

**Work Step 3:** Assistance during Tendering

**Work Step 4:** Supervision of Construction Works and Supplies

**Work Step 5:** Services during Defects Liability Period and Closure of the Project

**Work Step 6:** Organization of Operation and Maintenance (Tendering and Contracting)

## Eligibility:

Eligible qualified independent consultants will be defined as follows:

- a) Local consulting engineering firms satisfying the requirements as defined in this PQ document and classified as First Grade (1) in the field of Water and Wastewater and First Grade (1) in the field of Environment as per the Government Tender Directorate (GTD) classification system.

If the consultant does not have the classification in the field of Environment, then the consultant must nominate a consultant who is classified as First Grade (1) in the field of Environment as per the Government Tender Directorate (GTD) classification system; or

- b) International independent consulting firms satisfying the requirements as defined in this PQ document; or
- c) An association of local and international consulting firms both jointly satisfying the requirements as defined in this PQ document. The local consulting firm shall also meet the requirements mentioned under a).

## Further Information:

This prequalification for consulting services will be guided by the latest version of the „Guidelines for the Procurement of Consulting Services, Works, Plant, Goods and Non-Consulting Services in Financial Cooperation with Partner Countries" (version of March 2021), see <https://www.kfw-entwicklungsbank.de/International-financing/KfW-Development-Bank/Publications-Videos/Publication-series/Guidelines-and-contracts/>. It is foreseen to assign the services to an independent consultant firm with proven experience in the sector and the region. Cooperation between international and national organisations is highly encouraged. The minimum annual turnover shall exceed 4,000,000 EUR.

The full Prequalification Notice with detailed information about the project, required qualifications of the Consultants, and instructions for application should be requested from the following two addresses. Emails must be addressed to both recipients, note that emails which will be only addressed to one of the recipients will not be answered.

**Important note:** The current tender will apply electronic submission by an e-procurement platform. The submission as hard copy is not accepted. In addition, submission by email is not accepted and will lead to disqualification of the respective firm. For detailed information on the platform and procedures, please refer to the full Prequalification Notice.

Further information and clarifications can be obtained by e-mail from the Tender Agent up to 14 days before the deadline for submission of EOIs. At any time, the Tender Agent either at own initiative or in response to clarifications requested by an interested consultant firm may clarify this invitation. Such information shall be sent in writing by email to all registered parties (automatic registration upon request for detailed prequalification notices).
