

Invitation for Prequalification
“Construction of Water Networks in South Shouneh”
Tender No. 50/2024

The Ministry of Water and Irrigation/ Water Authority of Jordan (WAJ), hereinafter referred to as “the Employer”, has signed a loan agreement with European Investment Bank (EIB), hereinafter referred to as “the Bank”, and intends using part of the proceeds towards the cost of the **Construction of Water Networks in South Shouneh**, hereinafter referred to as “the Project”.

The Employer intends to prequalify contracting firms for the ‘**Construction of Water Networks in South Shouneh Project**’, which includes construction of three (3) new reservoirs, one pumping station at al Kafraïn WTP, one booster station, 20 km primary pipelines and installation of 330 km of new water supply distribution network to replace the existing outdated network.

The contract shall be divided into the following packages taking into consideration the project’s components, the geographic location, and the estimated cost:

Package C1: Joraiah Service area

Package C2: New Ghor Al Kafraïn Service area

Package C3: Roudhah Service area

Package C4: Main Kafraïn Pump station and Primary Pipelines (Optional) (will be confirmed upon completion of Kafraïn wells rehabilitation Project)

The Employer invites interested international and Jordanian Contractors that satisfy the prequalification criteria set in the prequalification document to submit Prequalification Application to the subject construction contracts. Factors considered for the evaluation include: (i) financial capabilities; (ii) general and specific construction experience; (iii) organization and personnel capacity and experience; and (iv) construction plant and equipment. Jordanian contractors must meet Grade 1 classification in the field of water and wastewater according to the Government Tenders Department (GTD) of the Jordanian Ministry of Public Works in Housing.

Interested eligible Applicants can download the prequalification document free of charge from WAJ below website as of **December 16, 2024**. Prequalification will be conducted according to WAJ procurement procedure and in line with EIB Guide to Procurement (GtP).
