

Invitation to Prequalify  
Water Authority of Jordan (WAJ)  
Water Resources Management Programme VII  
Development of the Basalt Wellfield, Jordan  
Contract 2: Conveyance System for Basalt Wellfield

KfW Procurement no.: 511336

Tender no.: 3/2025

The Water Authority of Jordan (WAJ) has arranged finance from the Government of the Federal Republic of Germany through the Kreditanstalt für Wiederaufbau (KfW) toward the cost of the Development of the Basalt Wellfield, Jordan, and intends to apply part of the proceeds toward payments under Contract 2: Conveyance System for Basalt Wellfield.

The Water Authority of Jordan (WAJ) now invites sealed applications to prequalify from interested applicants for the construction of the Conveyance System for up to 9 no. Boreholes at the Basalt Wellfield comprising:

The construction duration will be 18 months with a DNP of 12 months. The Conditions of Contract will be the FIDIC Pink Book. Prequalification will be conducted as specified in the KfW Guidelines for Guidelines for Procurement of Goods, Works and associated Services in Financial Cooperation with Partner Countries ("KfW Guidelines") July 2024.

Local Jordanian contractors shall be classified as Grade (1) in Water and Wastewater as per the GTD classification. International contractors shall demonstrate at least equivalent qualifications. Contractors which demonstrate adequate experience may qualify for the abovementioned works.

Interested eligible applicants may obtain further information from:
